Call for Papers

In 2007, the Brain Injury Association of Tennessee's conference will include keynote speakers and breakout sessions covering a wide variety of topics related to brain injury. This call for papers is an invitation to individuals with brain injury, family members, and professionals to share their knowledge, experience and ideas.

Examples of topics include:

- Women and TBI
- Sexuality and Relationships
- Behavior Management
- Socialization
- Managing Emotional Symptoms of TBI
- Social Skills Training after TBI

Presentations: Presentations should be approximately 60 minutes in length; this includes questions and answers from the audience.

Deadline: All proposals must be received by October 30, 2006. People submitting papers will be notified of the conference committee's decision by November 15, 2006

Cover Page: BIAT will request CEUs from various disciplines. It is for this reason that this cover page is quite detailed and asks specific questions regarding your proposed presentation. By supplying this information to us now, the CEU application and approval process will be greatly facilitated.

To submit a proposal for presentation, please complete a cover page and submit with an abstract as defined.
